©2023 Self Managed Support Pty Ltd ABN 88 638 372 960.

Self Managed Support trading as HomeMade is an Approved Provider that delivers package management services to customers receiving home care packages. HomeMade offers a low cost shared management solution for customers who wish to self-manage.

This document provides several illustrative and comparative examples to demonstrate how the HomeMade package and shared management services work.

The figures and comparisons contained in this document are necessarily general. They do not consider all relevant factors, including things like total hours of work available or training and experience. Arrangements between the service provider, workers and people who require their services (including hourly rate and hours of work) facilitated by the customer will be the subject of the agreement between the relevant individuals. The general comparisons in this document do not reflect any such arrangements.

Use of HomeMade services should be considered in accordance with our Agreement and Privacy Policy. Please contact us directly to find out what your package management options might look like.

Self-management with HomeMade

Self-management is having an active role in your support so you can keep doing what matters most to you. Self-managing your Home Care Package gives you control of decisions about your support.

Why choose self-management with HomeMade?

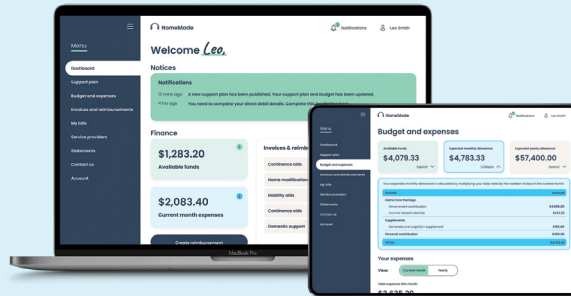

- ✓ Remain living at home
- ✓ Take control of your budget

- ✓ Access what you need from your package when you need it
- ✓ Optimise funds with lower fees
- ✓ Access the HomeMade Platform
- ✓ Feel safe, supported and reassured in the quality of your services
- ✓ Improve overall wellbeing by doing the things you want to do

The HomeMade Platform

We've used technology to provide you with a way to safely, easily and cost-effectively self-manage your Home Care Package and access the care and support services you want to live life on your own terms.

Using the HomeMade Platform, you can:

- ✓ Make informed decisions
- ✓ Build a support team
- ✓ Maximise your Home Care Package
- ✓ Track your budget in real time
- ✓ See what your funding actually funds

How it works

We work with you to design your support and services so your Home Care Package is effectively used with low admin fees. Keep your freedom and control but get support and help when you want it.

Step 1: Select HomeMade as your approved provider

You share your relevant information so we can get you started. Together we design your support plan and budget. We work together to identify the support workers and services that will suit you best.

Step 2: Choose your service providers and workers

HomeMade helps you set up your team of workers and service provider. You take control of the day-to-day management of your support services.

Step 3: We support you to manage your services and budget

We work together to ensure your support plan continues to meet your needs and to identify the support workers and services that will suit you best.

Pricing

Pay for the services you choose with a flat admin fee of 15%.

Compared to traditional providers we maximise the value of your Home Care Package.
